FIRST CONTACT WITH HOUSEHOLD

My name is (NAME). I'm part of an international study team. I work for UIC and the University of Alaska. Iñupiat, Yupik, Inuit and Saami people share the Arctic as their home. We are asking indigenous people to talk with us about living conditions in the Arctic today. We'd like your help.

Is there at least one person 16 years old or older living in this household who considers themselves to be Iñupiat or Yupik?

Thank you very much, in this study we are only interviewing people who consider themselves to be Inuit or Yupik.

The people that we talk with Alaska will represent all Iñupiat and Yupik people who live in the North Slope, Northwest Arctic, and Seward Peninsula regions. We have to be sure that we talk with both men and women and with both younger and older people. I have to follow a rule on how I select a person to talk to. The rule is, which Iñupiat household member 16 years old or older has the next birthday? (IF PERSON YOU ARE TALKING TO IS SELECTED AS RESPONDENT, SKIP TO APPROPRIATE INFORMED CONSENT FORM)
